

Session Objective

By the end of this lesson, students will be able to explore and photograph living things, select favourite photos, create an album, and understand the purpose of organising images.

Review

Review Favourites:

- Recall your favourite selfie.
- Take a series of photos
- Select Favourites and delete unwanted images

Learn

Albums

- Create an Album to organise photos
- Labelling the album with text and/or emoji
- Locate the emoji key on both the virtual and physical keyboard.
- Add images to the album
- Discuss the purpose of organising images into albums

Review / Share

Favourite Selfie:

- Ask, "How do you know you had success?" & "Who had success?" to encourage sharing and discussion.
